

WADEBRIDGE ALLOTMENT AND GARDEN SOCIETY

Minutes of Main Meeting

Held on 12th June 2016 at 10.30am.

Present

- Ray Wilson, Charlie Bosley, David Mackenzie, Sally Bosley, Chris Kitto, Mike Rickard, Jenni Milne.

Finance

- Money will be transferred into savings account for water, fencing and refurbishment of the site, for use when we finally vacate.

Car Park

- Concern over what would be done with the soil and turf taken from the extra car park site would prove too difficult and expensive to transfer to another site. A suggestion was put forward of covering the current turf area with a heavy duty membrane and 803/stone put on top then compacted to create a better surface.
- John-Paul to be asked to assess the area, get prices, both in quantity and suitability of the 803/stone, and price to hire a machine to compact the surface.

Trolleys

- Julia asked at the AGM if we could look at replacing the trolleys for transporting things from car to plot. Chris has renovated two wheelbarrows and trolleys. Cost £6 for an inner tube.

Quarry

- The quarry has been successfully cleared by hiring a JCB and operated by Chris' son John-Paul. Chris had signs made up and they have been set up at the quarry.
- Hire of JCB was £145.

Complaint

- A letter has been received, dated 14/5/16 from Steve Crisp Plot18a. A concern, voiced by committee members, re the coping of a larger plot, was considered to have been misunderstood and misconstrued by Mr. Crisp. A letter to this effect would be sent in reply.

Waiting List for Plots

- We have four people on our waiting list plus two plot holders who would like an extra plot.
- Plots of any size, are only offered to present holders when we no longer have a waiting list.

AOB

- A reminder to plot holders to maintain your plots. Several are in need of attention. There will a plot inspection on June 19th.
