New Membership Secretary

- David very much wishes to stand down as membership secretary, a position he has held for 5 years. It is thanks to him that we have managed to continue over the last couple of years as sadly we lost so many committee members all at once, and he assumed practically all roles. **He has earned a break!!**
- He will, of course guide our new member through the procedure.

Quarry

- **Please, Please, read the notices regarding the quarry. It is not being used responsibly.**
- Wood is being tucked away and it should **not** be there.
- Please take anything that is not compostable home. The quarry will be filled far too quickly and then we shall all be taking everything home. To hire a machine to move the compost back to the edges costs money and yet it takes only a little extra effort to empty your green waste as far back as possible.

Maintenance

- **We need help to remove Ragwort, just for an hour next Sunday @ 10.00 - Sun18th**

AOB

- A huge thank you to Richard Parish for donating a lawn mower, we are extremely grateful.
- All people having received letters after the plot inspection have responded, for which many thanks.
- If using the gate to drive down to the bottom, **please drive slowly, its not a race track.**

BBQ

- Julia to organize. The date will be the first Sunday in September.

DONM

The next meeting will be on 11th September at 10.00am. Chris Kitto's plot.
